APPLICATION FOR TENANT CERTIFICATE OF OCCUPANCY

Please submit the following documentation attached with your application to the Village of Brewster Building Department:

1. All interior renovations or alterations require a building permit application – application must include a scale drawing of area layout this includes {square footage, seating, chairs, tables, desks, counters, bathrooms, exits, number of stories, basement, attic, customer flow and occupancy load and type of business}.
2. All electrical alterations, additions and modifications require a licensed electrician to apply for a permit with the Putnam County Electrical board.
3. All signs and awnings require a Building Permit to be filed and approved prior to installation.
4. Fire Inspection by the Village of Brewster Code Enforcement Office will be required.
5. Tenant has to provide a copy of D.B.A. and licenses or certifications that is required to operate their proposed commercial establishments.
6. Property owners notarized consent form.
7. All building permits and county, electrical, gas and Department of Health permits are required to be closed and finalized prior to the issuance of a Certificate of Occupancy.

Please Note: Our Village Code, Section 263 Article XII provides that it shall be unlawful to use or occupy any building without the benefit of a Certificate of Occupancy.
