2. Monthly Reports

- 2.1. January 2017 Engineer's Report – Todd Atkinson delivers the Engineer's report. Trustee Bryde asked about the VRI letter reapportioning costs for the sewer operating contract. Clerk Hansen says it is not a change in scope of work only a reassignment of cost from one structure to another. Trustee Meagher asks about the sump pump inspection status. Mr. Atkinson says we have been looking for previous records but have been unable to find them and it may become necessary to send out a letter to each property owner advising them that an inspection of the premises is required. Trustee Meagher says that the DEP may have a record of the sump pump inspections as they accompanied our Code Enforcement on the first round of inspections. Mr. Atkinson says those people have retired from DEP but he will reach out to their replacements and see if they can locate any pertinent records. Trustee Meagher asks about the open trench sign at Hoyt and Main. Mr. Atkinson said he is not aware and that question should be directed to DPW Superintendent Crawford. Mayor Schoenig motions to accept the Engineer's report, Trustee Bryde 2nd all in favor 5 to 0. Copy of the monthly report is appended to these minutes.
- 2.2. January 2017 Police Report – Chief John Del Gardo delivers the Police report. Trustee Bryde notes that there were eighty-nine stop sign violations in January and that is amazing. Chief Del Gardo says we are staying on top of violations. Trustee Bryde asked about the seven accidents throughout the Village. Chief Del Gardo says none of the accidents were major and they were spread out at different locations in the Village. Trustee Bryde asked about the family disputes. Chief Del Gardo said our police respond promptly when called and sometimes there is still an active dispute underway which is defused without arrests if possible. Trustee Bryde asks about the criminal mischief. Chief Del Gardo says that is when someone is destroying private property. Trustee Bryde asked about the four intoxicated persons. Chief Del Gardo said there were four calls but only one intoxicated person was found. Trustee Bryde asked about the lost property. Chief Del Gardo says we get reports from time to time of lost property, we respond and report whether or not the property was found or if further actions is warranted. Trustee Bryde asks about the street sign that was down. Chief Del Gardo says this sign was on Railroad Avenue. Trustee Meagher asks about the noise complaint. Chief Del Gardo says it was on Oak Street. Trustee Bryde asked if there were any issues with the recent snow storms. Chief Del Gardo says there were none. Trustee Bryde asked about the body that was found in the Town of Southeast. Chief Del Gardo says the encampment was deep in the woods. Mayor Schoenig said that he and Chief Del Gardo have a meeting with

the Elks tomorrow, February 16, 2017. Mayor Schoenig motions to accept the Police report, Trustee Bryde 2nd all in favor 5 to 0. Copy of the monthly report is appended to these minutes.

2.2.1. Cabaret enforcement – Chief Del Gardo says the two bars that are operating as cabarets are causing a lot of problems and greatly consuming our police resources on the weekends and many summer nights. Fines and tickets are not deterring these establishments so something else needs to be done to maintain control. Deputy Mayor Piccini suggests a Special Exception Use Permit with strict criteria including penalties to include fines, permit suspensions up to and including revocation. Counsel Molé will draft a Special Exception Use Permit for Cabarets and circulate it to the Board of Trustees for comment.

2.3. January 2017 Code Enforcement Report – Bill Scorca delivers the Code Enforcement report. Trustee Bryde asks what the assembly permit means. Mr. Scorca says the code defines it as occupancy by over 50 people. Trustee Boissonnault says he was approached by a neighbor of St. Lawrence and told that the church has not fulfilled their obligations under the site plan. Mr. Hernandez says he is aware of the situation and will try to take care of it on a Saturday or Mr. Scorca might be able to take care of it on a weekday. Trustee Meagher says the MTA walkways and the crosswalks on Main Street were obstructed more than 24 hours after the snow storm ended and asks if enforcement can be stepped up. Clerk Hansen advises Trustee Meagher to flag an MTA cop or one of our own police officers down as they can get action on MTA maintenance much faster than waiting for the Village office to reopen after a weekend. Clerk Hansen also says the crosswalks should be cleared by the plows. Main Street is plowed by NYS DOT and Railroad Avenue is either Putnam County or the Village responsibility. Mayor Schoenig motions to accept the Code Enforcement report, Deputy Mayor Piccini 2nd all in favor 5 to 0. Copy of the monthly report is appended to these minutes.

2.4. January 2017 Planning Board Report – George Gaspar delivers the Planning Board report. Mayor Schoenig motions to accept the Planning Board Report, Trustee Meagher 2nd all in favor 5 to 0. Copy of the monthly report is appended to these minutes.
