APPLICATION FOR A CABLE TELEVISION FRANCHISE
BY VERIZON NEW YORK INC.

Verizon New York Inc. (“Verizon NY”) respectfully submits this application form (“Application”) and requests the award of a cable television franchise from the Village of Brewster (“Municipality”). In this application, Verizon NY answers the questions set forth in Title 16, Chapter VIII, Part 894, Section 894.5, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended.

- (1) A description of the cable television system proposed to be constructed including information regarding (a) channel capacity, including both the total capability of the proposed system and the number of channels to be energized immediately; (b) television and radio broadcast signals which Verizon NY intends to carry on its system initially; (c) the extent and type of any origination cable casting to be undertaken, and the facilities, equipment and staff to be employed therein; and (d) the system layout or design, including where applicable: (i) location of antennae and headends; (ii) plans for a two-way capability including a proposed schedule indication when two-way capability will become available from particular points; (iii) location or origination points and origination facilities; (iv) extent and type of automated services to be provided; and (v) number of channels to be utilized for access cablecasting and the facilities, equipment, staff and other support to be available to access users including access utilization or production costs.

Information about Verizon NY’s Fios TV channel lineup is available at <https://www.verizon.com/home/fios-tv/channel-lineup/>. This tool allows customers to search for specific channels, view a complete list of channels for a particular TV package, or compare different TV packages. Since channels and TV packages can vary by location, a customer can enter a ZIP code to see what is available in that area, including local channels.

Verizon NY will provide channel capacity for access cablecasting consistent with applicable law and as set forth in the cable franchise agreement.

Technical Information

Verizon NY, as a common carrier under Title II of the Communications Act of 1934 (the “Act”), constructed its Fiber to The Premises (“FTTP”) network as an upgrade to its existing telecommunications network to provide fiber optic facilities directly to subscriber premises. Verizon has the necessary federal, state and local authorizations to upgrade its Title II telecommunications network, subject to customary time, place and manner permitting requirements. Specifically, Section 27 of the New York Transportation Corporations Law (“New York Telecom Law”) grants Verizon the right to place its facilities upon, over or under any public streets within the State of New York. See *New York Tel. Co. v. Town of North Hempstead*, 41 N.Y.2d 691, 363 N.E.2d 694 (1977); *New York Tel. Co. v. Village of Amsterdam*, 613 N.Y.S.2d 993, 994 (App. Div. 1994) (stating that Section 27 grants “an

unconditional privilege to install, maintain and repair” telephone facilities in public streets).

On June 15, 2005, the New York Public Service Commission (“Commission”) ruled that Verizon NY did not need to obtain a cable franchise before constructing its FTTP network. The Commission found that unlike cable companies, Verizon already had the necessary authority under state law to use the public rights-of-way. Thus, the Commission concluded that Verizon had the right to upgrade its telecommunications network to make it capable of providing cable service. See Declaratory Ruling on Verizon Communication, Inc.’s Built-Out of its Fiber to the Premises Network, NY Public Service Commission, Case 05-M-0520/05-M-0247, June 15, 2005.

Verizon NY uses the FTTP network to provide cable television and/or internet protocol television services throughout specified portions of its telecommunications system. FTTP uses fiber-optic cabling and optical electronics to directly link homes to the Verizon NY network.

Redundant Super-Headends

At the national level, two redundant “super” headends located in Temple Terrace, Florida and Bloomington, Illinois (each, a “SHE”) serve as the national content receive points and limited content distribution points. The SHEs are strategically located to ensure compliance with technical and environmental requirements. Network redundancy and route diversity are extended from the SHE to the Video Hub Office (“VHO”) when required.

Video Hub Office

The VHO serves as the local content receive point for regional programming including local broadcast channels, Public/Educational/Government access channels and Emergency Alert System messages.

Video Serving Office

The video serving office serves as the final delivery point for video services to Fios TV subscribers.

Subscriber Premises

At the subscriber premises, an optical network terminal provides access to the transported video services via video programming reception device.

- (2) The terms and conditions under which service is to be provided to educational and governmental entities.

Verizon NY will provide service to educational and governmental entities under terms and conditions consistent with applicable law, and as may be required by the Municipality.

- (3) The terms concerning rates and construction schedules.

Detailed information about Fios TV pricing and conditions, including programming packages, premium content, On Demand, Pay Per View titles, and equipment options, is available on the Fios TV Rate Card at <https://verizon.com/fiostvratecard>.

The deployment schedule is set forth in the cable franchise agreement.

- (4) An indication of whether Verizon NY will provide service on the same terms and conditions as contained in the existing franchise in effect.

Verizon NY will provide service on terms and conditions consistent with the needs and interests of the Municipality and the level playing field requirement set forth in Title 16, Chapter VIII, Part 895, Section 895.3, of the Official Compilation of Codes, Rules and Regulations of the State of New York, as amended, in that the Verizon NY proposed franchise agreement is comparable in its totality with the incumbent cable television provider's agreement. Verizon NY constructed its FTTP network pursuant to its authority as a common carrier under Title II of the Act and Section 27 of the New York Transportation Corporations Law. For this reason and others, certain terms and conditions may differ between the incumbent cable provider's franchise and Verizon NY's franchise.

A statement of Verizon NY's experience in the cable television field including, if applicable, the names and professional experience of the persons or organizations who will be responsible for the construction, installation and operation of the proposed system.

Verizon NY has been providing cable television service to New York State residents since 2006 and currently provides Fios TV in 186 municipalities in the New York City, Albany, Buffalo and Syracuse metropolitan areas. Verizon NY also provides video service in its Connecticut service area pursuant to a *Certificate of Video Franchise Authority* granted by the Connecticut Department of Public Utility Control ("DPUC") on June 14, 2010.

Other subsidiaries of Verizon Communications Inc. provide cable television service in Delaware, the District of Columbia, Maryland, Massachusetts, New Jersey, Pennsylvania, Rhode Island, and Virginia.

- (5) A statement indicating whether Verizon NY or any of its principals owns or operates any other cable television system, directly or indirectly, and a statement indicating the name

of any such operations and the name and address of the chief executive officer of the franchising authority in which such system or station is located.

To the extent it may be considered another cable television system, Verizon NY provides video service in its Connecticut service area pursuant to a *Certificate of Video Franchise Authority* granted by the DPUC on June 14, 2010. The DPUC is now known as the Public Utilities Regulatory Authority (“PURA”) and is located at Ten Franklin Square, New Britain, Connecticut 06051. Thomas Wiehl is PURA’s Chairman.

- (6) A documented plan for financing the proposed system, which plan shall indicate specifically every significant anticipated source of capital and any and all limitations or conditions with respect to the availability of the indicated sources of capital.

Given the unique nature of the cable television franchise that Verizon NY requests to be awarded by the Municipality, capital requirements are anticipated to be minimal. However, Verizon NY intends to satisfy any remaining capital requirements for the proposed system through a variety of internally and externally generated funds. Verizon NY is a financially stable company that has provided telecommunications services in New York State for more than a century. Its parent company, Verizon Communications Inc., generated more than \$138 billion in revenue in 2025. A copy of Verizon Communications Inc.’s 2025 Annual Report to Shareholders is available online at:

<https://www.verizon.com/about/sites/default/files/2025-Annual-Report-on-Form-10k.pdf>

- (7) A statement indicating whether Verizon NY or any of its officers, directors and persons having a legal or equitable interest in 10% or more of the voting stock: (a) has ever been convicted of a crime involving moral turpitude (including criminal fraud) or is presently under indictment charging such a crime; (b) has ever been held liable by any court of competent jurisdiction in any civil action based on fraud, deceit or misrepresentation; or (c) has ever been punished or censured in any jurisdiction for any violation or attempted violation of any law, rule or order relating to cable television operations.

Verizon NY has no knowledge of any such finding of guilt toward Verizon NY, any person controlling Verizon NY, or any officer, director or major stockholder of Verizon NY.

WHEREAS, the FTTP Network occupies the Public Rights-of-Way within the LFA, and Franchisee desires to use portions of the FTTP Network to provide Cable Services (as hereinafter defined) in the Franchise Area;

WHEREAS, the LFA has identified the future cable-related needs and interests of the LFA and its community, has considered and approved the financial, technical and legal qualifications of Franchisee, and has determined that Franchisee’s plans for its Cable System are adequate and feasible in a full public proceeding affording due process to all parties;

WHEREAS, the LFA has found Franchisee to be financially, technically and legally qualified to operate the Cable System;

WHEREAS, the LFA has determined that in accordance with the provisions of the Cable Law, this Franchise complies with NY PSC’s franchise standards and the grant of a nonexclusive franchise to Franchisee is consistent with the public interest; and

WHEREAS, the LFA and Franchisee have reached agreement on the terms and conditions set forth herein and the parties have agreed to be bound by those terms and conditions.

NOW, THEREFORE, in consideration of the LFA’s grant of a franchise to Franchisee, Franchisee’s promise to provide Cable Service to residents of the Franchise Area pursuant to and consistent with the Cable Law (as hereinafter defined), pursuant to the terms and conditions set

No privilege or power of eminent domain is bestowed by this grant; nor is such a privilege or power bestowed by this Agreement.

2.2. *The FTTP Network:* Upon delivery of Cable Service, by subjecting Franchisee's mixed-use facilities to the NY PSC's minimum franchise standards and the LFA's police power, the LFA has not been granted broad new authority over the construction, placement and operation of Franchisee's mixed-use facilities.

2.3. *Effective Date and Term:* This Franchise shall become effective on the date that the NY PSC issues a certificate of confirmation for this Franchise (the "Effective Date"), following its approval by the LFA's governing authority authorized to grant franchises and its acceptance by the Franchisee. The term of this Franchise shall be five (5) years from the Effective Date unless the Franchise is earlier terminated by Franchisee pursuant to the terms of Sections 2.4 or 2.5 or revoked by the LFA as provided herein. The Franchisee shall memorialize the Effective Date by notifying the LFA in writing of the same, which notification shall become a part of this Franchise.

2.4. *Termination Generally:* Notwithstanding any provision herein to the contrary, Franchisee may terminate this Agreement and all obligations hereunder at any time during the term of this Agreement for any reason, in Franchisee's sole discretion, upon one hundred and eighty (180) days' written notice to the LFA.

2.5. *Modification/Termination Based on VSP Requirements:*

2.5.1. If there is a change in federal, state, or local law that reduces any material financial and/or operational obligation that the LFA has required from or imposed upon a VSP, or if the LFA enters into any franchise, agreement, license, or grant of authorization to a VSP to provide Video Programming services to residential subscribers in the LFA with terms or conditions materially less burdensome than those imposed by this Franchise, Franchisee and the LFA shall, within sixty (60) days of the LFA's receipt of Franchisee's written notice, commence negotiations to modify this Franchise to create reasonable competitive equity between Franchisee and such other VSPs. Any modification of the Franchise pursuant to the terms of this section shall not trigger the requirements of Subpart 892-1 of the NY PSC rules and regulations.

2.5.2 Franchisee's notice pursuant to Section 2.5.1. shall specify the change in law and the resulting change in obligations. Franchisee shall respond to reasonable information requests from the LFA, as may be necessary to review the change in obligations resulting from the cited law.

2.5.3 In the event the parties do not reach mutually acceptable agreement on a modification requested by Franchisee, Franchisee shall, at any time and in its sole discretion, have the option of exercising any of the following actions:

a. Commence franchise renewal proceedings in accordance with 47 U.S.C. §546 with the Franchise term being accelerated, thus being deemed to expire thirty-six (36) months from the date of Franchisee's written notice to seek relief hereunder;

b. Terminate the franchise within two (2) years from notice to the LFA;

c. If agreed by both parties, submit the matter to commercial arbitration by a mutually-selected arbitrator in accordance with the rules of the American Arbitration Association; or

d. Submit the matter to mediation by a mutually-acceptable mediator.

2.6. *Grant Not Exclusive:* The Franchise and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the LFA reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Franchise. Any such rights which are granted shall not adversely impact the authority as granted under this Franchise and shall not interfere with existing facilities of the Cable System or Franchisee's FTTP Network.

2.7. *Franchise Subject to Federal Law:* Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal law as it may be amended, including but not limited to the Communications Act.

2.8. *No Waiver:*

2.8.1. The failure of the LFA on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require compliance or performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance of this Agreement, nor shall it excuse Franchisee from compliance or performance, unless such right or such compliance or performance has been specifically waived in writing.

2.8.2. The failure of the Franchisee on one or more occasions to exercise a right under this Franchise, the Cable Law or other applicable state or federal law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or a waiver of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or such performance has been specifically waived in writing.

2.9. *Construction of Agreement:*

2.9.1. The provisions of this Franchise shall be liberally construed to effectuate their objectives.

2.9.2. Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545, as amended.

2.9.3. Should any change to state law, rules or regulations have the lawful effect of materially altering the terms and conditions of this Franchise, then the parties shall modify this Franchise to the mutual satisfaction of both parties to ameliorate the negative effects on the Franchisee of the material alteration. Any modification to this Franchise shall be in writing and shall be subject to Section 222 of the New York Public Service Law and Title 16, Chapter VIII, Part 892, Subpart 892-1, Section 892-1.4 of the Official Compilation of Codes, Rules and Regulations of the State of New York requiring application to the NY PSC and approval of any modification. If the parties cannot reach agreement on the above-referenced modification to the Franchise, then Franchisee may terminate this Agreement without further obligation to the LFA or, at Franchisee's option, the parties agree to submit the matter to binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association.

2.9.4. The LFA and the Franchisee each acknowledge that they have received independent legal advice in entering into this Agreement. In the event that a dispute arises over the meaning or application of any term(s) of this Agreement, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of this Agreement.

2.10. *Compliance with Federal and State Privacy Laws:* Franchisee shall comply with the privacy provisions of Section 631 of the Communications Act and all other applicable federal and state privacy laws and regulations. The parties agree that, during the term hereof, Franchisee shall not be subject to any local laws or ordinances which conflict with such

applicable federal and/or state privacy laws, or which would impose additional or distinct requirements upon Franchisee with respect to Subscriber privacy other than those which are expressly set forth in applicable federal and/or state privacy laws.

2.11. *Police Powers:* The LFA shall not enact any local laws that are inconsistent with this Franchise, provided, however, that nothing in this Franchise shall be construed to prohibit the reasonable, necessary and lawful exercise of the police powers of the LFA in a manner not materially in conflict with the privileges granted in this Franchise and consistent with all federal and state laws, regulations and orders.

2.12. *Restoration of Municipal Property:* Any municipal property damaged or destroyed shall be promptly repaired or replaced by the Franchisee and restored to serviceable condition.

3. **PROVISION OF CABLE SERVICE**

3.1. *Franchise Area:* Subject to applicable law and the issuance of all necessary permits by the LFA, Franchisee shall offer Cable Service to all residential households of the Franchise Area and may make Cable Service available to businesses in the Franchise Area, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to access rights-of-way in the Franchise Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in areas, developments, buildings or other residential dwelling units where Franchisee cannot gain access after good faith efforts, including, but not limited to, circumstances where Franchisee cannot access the area, development, or building by using Franchisee's existing network pathways and which would thus require the construction of new trunk, feeder, or distribution lines in accordance with NY PSC rules and regulations; (F) in areas, developments, buildings or other residential dwelling units where the provision of Cable Service is economically infeasible because such provision requires nonstandard facilities which are not available on a commercially reasonable basis, in accordance with NY PSC rules and regulations; (G) in residential dwelling units that are not habitable or have not been constructed as of the Effective Date; and (H) for Subscribers who fail to abide by Franchisee's terms and conditions of service. Franchisee shall have the right, but not the obligation, to extend the Cable System into other buildings in the territorial limits of the LFA which shall then become part of the Franchise Area.

3.2. *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Franchise Area in conformance with Section 3.1, and Franchisee shall not discriminate between or among any individuals in the availability of Cable Service or based upon the income of the residents in a local area. Within the Franchise Area, Franchisee shall be required to connect, at Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within one hundred fifty (150) feet of trunk or feeder lines not otherwise already served by Franchisee's FTTP Network. Franchisee shall be allowed to recover, from a Subscriber that requests such connection, the actual costs incurred for residential dwelling

unit connections that exceed one hundred fifty (150) feet or are in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile and the actual costs incurred to connect any non-residential dwelling unit Subscriber, provided, however, that Franchisee may seek a waiver of any requirement that it extend service to any party requesting the same in an area with a density of less than thirty-five (35) occupied residential dwelling units per mile if such would not be possible within the limitations of economic feasibility.

3.3. *Cable Service to Public Buildings:* In accordance with applicable provisions of the FCC's 2019 Third Report and Order In the Matter of Implementation of Section 621 of the Cable Act (the "621 Order") and the decision on appeal by the Sixth Circuit Court of Appeals, within a reasonable period of time following the Effective Date, the Franchisee may provide written notice to the LFA regarding the manner and process by which the Franchisee shall implement the 621 Order's requirements regarding the provision of free or discounted Cable Service to public buildings under the franchise agreement. Subject to Section 3.1, if requested in writing by the LFA and within sixty (60) days following such request, Franchisee shall provide, within the Franchise Area, one service outlet activated for Basic Service to each municipal facility, fire station, public school, police station, public library, and other public buildings as are designated by the LFA and set forth in Exhibit A. Franchisee may charge for such Basic Service in accordance with applicable law, which as of the Effective Date is Franchisee's marginal cost of providing such service. Franchisee shall be permitted to recover, from any school or other public building owner entitled to service, the direct cost of installing, when requested to do so, more than one outlet or concealed inside wiring; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed unless Franchisee decides to charge marginal cost. Cable Service may not be resold or otherwise used in contravention of Franchisee's rights with third parties respecting programming. Equipment provided by Franchisee, if any, shall be replaced at retail rates if lost, stolen or damaged. The parties hereto agree that the exercise of any conditional obligations set forth in this Section 3.3 shall not constitute a modification or amendment of the Franchise within the meaning of Subpart 892-1 of the NY PSC rules and regulations.

4. **SYSTEM FACILITIES**

4.1. *Quality of Materials and Work:* Franchisee shall operate and maintain its System using materials of good and durable quality, and all work involved in the construction, installation, maintenance and repair of the Cable System shall be performed in a safe, thorough and reliable manner.

4.2. *System Characteristics:* The Cable System shall be operated as an active two-way plant for Subscriber interaction, if any, required for the selection or use of Cable Service using sufficient bandwidth with an initial digital carrier passband between 50 and 860 MHz and/or industry standard Open Systems Interconnection (OSI) model elements.

4.3. *Interconnection:* The Franchisee shall operate its Cable System so that it may be interconnected with other cable systems in the Franchise Area. Interconnection of

systems may be made by direct cable connection, microwave link, satellite, or other appropriate methods.

4.4. *Emergency Alert System:* Franchisee shall comply with the Emergency Alert System ("EAS") requirements of the FCC and applicable state and local EAS Plans, in order that emergency messages may be distributed over the System.

4.5. *Parental Control:* The Franchisee shall comply with all applicable requirements of federal law(s) governing Subscribers' capability to control the reception of any channels being received on their television sets.

5. **PEG SERVICES**

5.1. *PEG Set Aside:*

5.1.1. In order to ensure universal availability of public, educational and government programming, Franchisee shall provide capacity on its Basic Service tier for up to one (1) dedicated Public Access Channel, one (1) dedicated Educational Access Channel, and up to one (1) dedicated Government Access Channel (collectively, "PEG Access Channels").

5.1.2. The LFA hereby authorizes Franchisee to transmit PEG Access Channel programming within and without LFA jurisdictional boundaries. Franchisee specifically reserves the right to make or change channel assignments in its sole discretion. If a PEG Access Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Access Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Access Channel for its intended purpose in accordance with Section 895.4 of the NY PSC rules and regulations.

5.1.3. Franchisee shall provide the technical ability to play back pre-recorded programming provided to Franchisee consistent with this Section. Franchisee shall transmit programming consistent with the dedicated uses of PEG Access Channels. Franchisee shall comply at all times with the requirements of Section 895.4 of the NY PSC rules and regulations.

5.2. *Indemnity for PEG:* The LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel. The LFA shall establish rules and regulations for use of PEG facilities, consistent with, and as required by, 47 U.S.C. §531.

5.3. *Recovery of Costs:* To the extent permitted by federal law, the Franchisee shall be allowed to recover from Subscribers the costs of PEG Access Channel interconnection or any other costs arising from the provision of PEG Access Channel services and to include such costs as separately billed line items on each Subscriber's bill.

5.4. *No PEG Access Designee Rights:* The LFA and the Franchisee herein acknowledge and agree that any PEG Access Designee is not a party to this Franchise and that any provisions herein that may affect a PEG Access Designee are not intended to create any rights on behalf of any PEG Access Designee.

6. **FRANCHISE FEES**

6.1. *Payment to LFA:* Franchisee shall pay to the LFA a Franchise Fee of five percent (5%) of annual Gross Revenue (the "Franchise Fee"). In accordance with Title VI, the twelve (12) month period applicable under the Franchise for the computation of the Franchise Fee shall be a calendar year. Such payments shall be made no later than forty-five (45) days following the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall be refunded any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable.

6.2. *Supporting Information:* Each Franchise Fee payment shall be accompanied by a brief report prepared by a representative of Franchisee showing the basis for the computation.

6.3. *Limitation on Franchise Fee Actions:* The parties agree that the period of limitation for recovery of any Franchise Fee payable hereunder shall be six (6) years from the date on which payment by Franchisee is due, but cannot exceed the date of records retention reflected in Section 7.

6.4. *Bundled Services:* If Cable Services subject to the Franchise Fee required under this Article 6 are provided to Subscribers in conjunction with Non-Cable Services, then the calculation of Gross Revenue shall be adjusted, if needed, to include only the value of the Cable Services billed to Subscribers, as reflected on the books and records of Franchisee in accordance with FCC rules, regulations, standards or orders.

7. **REPORTS AND RECORDS**

7.1. *Open Books and Records:* Upon reasonable written notice to the Franchisee and with no less than thirty (30) business days written notice to the Franchisee, the LFA shall have the right to inspect Franchisee's books and records pertaining to Franchisee's provision of Cable Service in the Franchise Area during Franchisee's regular business hours at an office of the Franchisee and on a nondisruptive basis, as are reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the section or subsection of the Franchise which is under review, so that Franchisee may organize the necessary books and records for appropriate access by the LFA. Any such inspection by the

LFA shall be completed in an expeditious and timely manner. Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Franchise Area. The LFA shall treat any information disclosed by Franchisee as confidential and shall only disclose it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. §551.

7.2. *Records Required:* Franchisee shall at all times maintain:

7.2.1. Records of all written complaints for a period of three (3) years after receipt by Franchisee. The term "complaint" as used herein refers to complaints about any aspect of the Cable System or Franchisee's cable operations, including, without limitation, complaints about employee courtesy. Complaints recorded will not be limited to complaints requiring an employee service call;

7.2.2. Records of outages for a period of three (3) years after occurrence, indicating date, duration, area, and the number of Subscribers affected, type of outage, and cause;

7.2.3. Records of service calls for repair and maintenance for a period of three (3) years after resolution by Franchisee, indicating the date and time service was required, the date of acknowledgment and date and time service was scheduled (if it was scheduled), and the date and time service was provided, and (if different) the date and time the problem was resolved;

7.2.4. Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

7.2.5. A map showing the area of coverage for the provisioning of Cable Services.

7.3. *System-Wide Statistics:* Any valid reporting requirement in the Franchise may be satisfied with system-wide statistics, except those related to Franchise Fees and consumer complaints.

8. **INSURANCE AND INDEMNIFICATION**

8.1. *Insurance:*

8.1.1. Franchisee shall maintain in full force and effect, at its own cost and expense, during the term of this Franchise, the following insurance coverage:

8.1.1.1. Commercial General Liability Insurance in the amount of six million dollars (\$6,000,000) per occurrence for property damage and bodily injury and six million dollars (\$6,000,000) general aggregate. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of Franchisee's Cable Service business in the Village.

8.1.1.2. Automobile Liability Insurance in the amount of six million dollars (\$6,000,000) combined single limit each accident for bodily injury and property damage coverage.

8.1.1.3. Workers' Compensation Insurance meeting the statutory requirements of the State of New York and Employers' Liability Insurance in the following amounts: (A) Bodily Injury by Accident: \$100,000; and (B) Bodily Injury by Disease-each employee: \$100,000; \$500,000 disease-policy limit.

8.1.2. The LFA shall be included as an additional insured as their interests may appear under this Franchise on the Commercial General Liability Insurance and Automobile Liability Insurance required herein.

8.1.3. Upon receipt of notice from its insurer(s), the Franchisee shall provide the LFA with thirty (30) days' prior written notice of cancellation of any required coverage.

8.1.4. Each of the required insurance policies shall be with insurers qualified to do business in the State of New York, with an A.M. Best Financial Strength rating of A- or better.

8.1.5. Upon written request, Franchisee shall deliver to the LFA Certificates of Insurance showing evidence of the required coverage.

8.2. *Indemnification:*

8.2.1. Franchisee agrees to indemnify the LFA, and its officers, boards, elected officials and employees for, and hold it harmless from, all liability, damage, cost or expense arising from claims of injury to persons or damage to property occasioned by reason of any conduct undertaken pursuant to the Franchise, or by reason of any suit or claim for royalties, programming license fees, or infringement of patent rights arising out of Franchisee's provision of Cable Services over the Cable System other than PEG facilities and channels, provided that the LFA shall give Franchisee written notice of the LFA's request for indemnification within ten (10) days of receipt of a claim or action pursuant to this Subsection. Notwithstanding the foregoing, Franchisee shall not indemnify the LFA for any damages, liability or claims resulting from the willful misconduct or negligence of the LFA, its officers, agents, employees, attorneys, consultants, independent contractors or third parties or for any activity or function conducted by any Person other than Franchisee in connection with PEG Access or EAS.

8.2.2. With respect to Franchisee's indemnity obligations set forth in Subsection 8.2.1, Franchisee shall provide the defense of any claims brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not be unreasonably withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with the Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim or action arising hereunder, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such proposed settlement includes the release of the LFA and the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement.

8.2.3. The LFA shall hold harmless and defend Franchisee from and against and shall be responsible for damages, liability or claims resulting from or arising out of the willful misconduct or negligence of the LFA.

8.2.4. The LFA shall be responsible for its own acts of willful misconduct, negligence, or breach, subject to any and all defenses and limitations of liability provided by law. The Franchisee shall not be required to indemnify the LFA for acts of the LFA which constitute willful misconduct or negligence on the part of the LFA, its officers, employees, agents, attorneys, consultants, independent contractors or third parties.

9. TRANSFER OF THE FRANCHISE

Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, as amended, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. In considering an application for the Transfer of the Franchise, the LFA may consider the applicant's: (i) technical ability; (ii) financial ability; (iii) good character; and (iv) other qualifications necessary to continue to operate the Cable System consistent with the terms of the Franchise. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of the Franchisee in the Franchise or Cable System in order to secure indebtedness, or for transactions otherwise excluded under the definition of *Transfer of the Franchise* above.

10. RENEWAL OF FRANCHISE

10.1. *Governing Law:* The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 12.12 below, the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546, as amended.

10.2. *Needs Assessment:* In addition to the procedures set forth in Section 626 of the Communications Act, the LFA shall notify Franchisee of all of its assessments regarding

the identity of future cable-related community needs and interests, as well as the past performance of Franchisee under the then current Franchise term. Such assessments shall be provided to Franchisee by the LFA promptly so that Franchisee will have adequate time to submit a proposal under Section 626 of the Communications Act and complete renewal of the Franchise prior to expiration of its term.

10.3. *Informal Negotiations:* Notwithstanding anything to the contrary set forth herein, Franchisee and the LFA agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the LFA and Franchisee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the LFA may grant a renewal thereof.

10.4. *Consistent Terms:* Franchisee and the LFA consider the terms set forth in this Article 10 to be consistent with the express provisions of Section 626 of the Communications Act and the Cable Law.

11. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

11.1. *Notice of Violation:* If at any time the LFA believes that Franchisee has not complied with the terms of the Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the LFA shall then notify Franchisee in writing of the exact nature of the alleged noncompliance in a reasonable time (for purposes of this Article, the “Noncompliance Notice”).

11.2. *Franchisee’s Right to Cure or Respond:* Franchisee shall have sixty (60) days from receipt of the Noncompliance Notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such sixty (60) day period, initiate reasonable steps to remedy such noncompliance and notify the LFA of the steps being taken and the date by which Franchisee projects that it will complete cure of such noncompliance. Upon cure of any noncompliance, the LFA shall provide written confirmation that such cure has been effected.

11.3. *Public Hearing:* The LFA shall schedule a public hearing if the LFA seeks to continue its investigation into the alleged noncompliance (i) if Franchisee fails to respond to the Noncompliance Notice pursuant to the procedures required by this Article, or (ii) if Franchisee has not remedied the alleged noncompliance within sixty (60) days or the date projected pursuant to Section 11.2(iii) above. The LFA shall provide Franchisee at least sixty (60) business days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing, and provide Franchisee the opportunity to be heard.

11.4. *Enforcement:* Subject to Section 12.12 below and applicable federal and state law, in the event the LFA, after the public hearing set forth in Section 11.3, determines that Franchisee is in default of any provision of this Franchise, the LFA may:

11.4.1. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or

11.4.2. Commence an action at law for monetary damages or seek other equitable relief; or

11.4.3. In the case of a substantial noncompliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 11.5.

11.5. *Revocation:* Should the LFA seek to revoke this Franchise after following the procedures set forth above in this Article, including the public hearing described in Section 11.3, the LFA shall give written notice to Franchisee of such intent. The notice shall set forth the specific nature of the noncompliance. The Franchisee shall have ninety (90) days from receipt of such notice to object in writing and to state its reasons for such objection. In the event the LFA has not received a satisfactory response from Franchisee, it may then seek termination of the Franchise at a second public hearing. The LFA shall cause to be served upon the Franchisee, at least thirty (30) business days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

11.5.1. At the designated public hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the LFA, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete verbatim record and transcript shall be made of such hearing.

11.5.2. Following the second public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the LFA in writing and thereafter the LFA shall determine (i) whether an event of default has occurred under this Franchise; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by the Franchisee. The LFA shall also determine whether it will revoke the Franchise based on the information presented, or, where applicable, grant additional time to the Franchisee to effect any cure. If the LFA determines that it will revoke the Franchise, the LFA shall promptly provide Franchisee with a written determination setting forth the LFA's reasoning for such revocation. Franchisee may appeal such written determination of the LFA to an appropriate court, which shall have the power to review the decision of the LFA *de novo*. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the written determination of the LFA.

11.5.3. The LFA may, at its sole discretion, take any lawful action that it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

11.6. *Abandonment of Service:* Franchisee shall not abandon any Cable Service or portion thereof without the LFA's prior written consent as provided in the Cable Law.

Notwithstanding the foregoing, the parties agree that if Franchisee invokes Section 2.4 of the Franchise (*Termination Generally*) and a timely written termination notice is provided, the LFA's prior written consent is considered granted.

12. **MISCELLANEOUS PROVISIONS**

12.1. *Actions of Parties:* In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

12.2. *Binding Acceptance:* This Agreement shall bind and benefit the parties hereto and their respective receivers, trustees, successors and assigns, and the promises and obligations herein shall survive the expiration date hereof.

12.3. *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA.

12.4. *Force Majeure:* Franchisee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by a Force Majeure. Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers, or where strict performance would result in practical difficulties and hardship being placed upon Franchisee that outweigh the benefit to be derived by the LFA and/or Subscribers.

12.5. *Delivery of Payments:* Franchisee may use electronic funds transfer to make any payments to the LFA required under this Agreement.

12.6. *Notices:* Unless otherwise expressly stated herein, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

12.7. *Entire Agreement:* This Franchise and the Exhibits hereto constitute the entire agreement between Franchisee and the LFA and supersede all prior or contemporaneous agreements, representations or understandings (whether written or oral) of the parties regarding the subject matter hereof. Any local laws or parts of local laws that materially conflict with the provisions of this Agreement are superseded by this Agreement.

12.8. *Amendments and Modifications:* Amendments and/or modifications to this Franchise shall be mutually agreed to in writing by the parties and subject to the approval of the NY PSC, pursuant to the Cable Law, except as provided herein.

12.9. *Captions:* The captions and headings of articles and sections throughout this Agreement are intended solely to facilitate reading and reference to the articles, sections and provisions of this Agreement. Such captions shall not affect the meaning or interpretation of this Agreement.

12.10. *Severability:* If any section, subsection, sub-subsection, sentence, paragraph, term, or provision hereof is determined to be illegal, invalid, or unconstitutional by any court of competent jurisdiction or by any state or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of the Franchise.

12.11. *Recitals:* The recitals set forth in this Agreement are incorporated into the body of this Agreement as if they had been originally set forth herein.

12.12. *FTTP Network Transfer Prohibition:* Under no circumstance including, without limitation, upon expiration, revocation, termination, denial of renewal of the Franchise or any other action to forbid or disallow Franchisee from providing Cable Services, shall Franchisee or its assignees be required to sell any right, title, interest, use or control of any portion of Franchisee's FTTP Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the LFA or any third party. Franchisee shall not be required to remove the FTTP Network or to relocate the FTTP Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow Franchisee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or PEG requirements set out in this Agreement.

12.15. *Publishing Information:* LFA hereby requests that Franchisee omit publishing information specified in 47 C.F.R. § 76.952 from Subscriber bills.

12.16. *Employment Practices:* Franchisee will not refuse to hire, nor will it bar or discharge from employment, nor discriminate against any person in compensation or in terms, conditions, or privileges of employment because of age, race, creed, color, national origin, or sex.

12.17. *Customer Service:* Franchisee shall comply with the consumer protection and customer service standards set forth in Parts 890 and 896 of the NY PSC rules and regulations.

12.18. *No Third-Party Beneficiaries:* Except as expressly provided in this Agreement, this Agreement is not intended to, and does not, create any rights or benefits on behalf of any Person other than the parties to this Agreement.

12.19. *LFA Official:* The Mayor of the LFA is the LFA official that is responsible for the continuing administration of this Agreement.

12.20. *No Waiver of LFA's Rights:* Notwithstanding anything to the contrary in this Agreement, no provision of this Agreement shall be construed as a waiver of the LFA's rights under applicable federal and state law.

12.21. *Counterparts:* This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Further, this Agreement may be executed by facsimile, email, electronic signature or

other electronic means, and so executed shall have the full force and legal effect as an executed original of this Agreement.
